

Erwin C. Escobar

Department of Engineering Science, CEAT, University of the Philippines Los Baños

ecescobar1@up.edu.ph, ecescobar121212@gmail.com

EDUCATION

PhD in Energy Science and Technology, Myongji University, South Korea (2017 March-2021 August).

Master of Science in Chemical Engineering, University of the Philippines Los Baños (2006 June-2008 April).

Bachelor of Science in Chemical Engineering, University of the Philippines Los Baños (1998 June- 2002 November).

Secondary education: Philippine Science High School -Main Campus (1994 April-1998 April).
