

CURRICULUM VITAE

1. Personal Information

Name: Kidus Mathewos Tilahun

Gender: Male

Date of birth: 03 Dec, 1991

Place of birth: Addis Ababa

Nationality: Ethiopian

Contact address

Energy and Environment Fusion Technology Center (E2FTC)

Department of Energy Science and Technology (DEST)

Rm 8807 Engineering Building 2, Myongji University

Myongji-ro 116, Cheoin-gu, Yongin City Gyeonggi-Do, South Korea, 17058

Tel: +82 (0)10-2154-8004

Email: kidusmathew@gmail.com

2. Educational Background

Level	School /University	Academic year	Award
Primary school	Holy trinity Catholic P.S	2010-2014	Certificate
Secondary school	Vision academy S.S	2006-2009	Certificate
Undergraduate/1 st degree	Addis Ababa university	2012-2016	BSc degree
Postgraduate	Myongji University	2020 to now	Ongoing

BSc. Project: Production of Biodiesel from Waste Cooking Oil. (B.SC in Chemical Engineering, process stream), synthesis and comparative performance evaluation of chloride & carbonate intercalated layered double hydroxides (LDH) for textile wastewater treatment.

(Advanced reaction engineering, advanced computational methods, advanced transport phenomena, industrial project management, advanced separation process, advanced process control, advanced chemical thermodynamics, research methods, and process system engineering, pedagogical methods).

3. Employment and Professional Experience

- Assistant lecturer at Wachemo University, higher institution of Ethiopia. (2016-2018)
- Quality control inspector in Moha Soft Drinks P.L.C. (June 2014 – September 2015)

4. Certificate and Training

- Hydrodynamic and fluid mechanic machineries training, equipment for engineering education, G.U.N.T. January 2017, Addis Ababa.
- Next-Generation Secondary Battery educational training by Human Resources material training center. February 2021, Korea (South)
- Certificate of participation in solid waste management externship program, July 2017, wachemo university, Hossana.
- Training on sustainable use of renewable energy, Total Ethiopia/Addis Ababa University, May 2016, Addis Ababa.
